

# Permaculture Introduction Workshop

## Seminar programme

Application deadline: 22. October

Notification of selected participants: 29. October

|                                                                                                                                                                                                                                                                                                                                |                            |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|
| Introduction                                                                                                                                                                                                                                                                                                                   | 5.11.   14:00 – 15:30 CET  |
| <ul style="list-style-type: none"><li>• Introduction to the ANW platform as a networking tool</li><li>• A brief introduction to the seminar objectives, content, and certification criteria</li><li>• Introduction to Global Challenges and the Role of Permaculture</li></ul>                                                 |                            |
| Module 1                                                                                                                                                                                                                                                                                                                       | 12.11.   14:00 – 15:30 CET |
| <ul style="list-style-type: none"><li>• The Permaculture design process</li><li>• Permaculture case studies</li><li>• Practical Permaculture Design Exercise showcase and assignment for participants to develop the project through the learning process.</li><li>• Zone one design and implementation case studies</li></ul> |                            |
| Networking hour                                                                                                                                                                                                                                                                                                                | 13.11.   17:00 – 18:30 CET |
| Module 2                                                                                                                                                                                                                                                                                                                       | 19.11.   14:00 – 15:30 CET |
| <ul style="list-style-type: none"><li>• Soil physical properties</li><li>• Criteria for healthy living soil</li><li>• Understanding soil and its implications</li><li>• Soil test with glass Jar, exercise for students</li><li>• Soil-improving techniques, case studies presentation</li></ul>                               |                            |
| Module 3                                                                                                                                                                                                                                                                                                                       | 26.11.   14:00 – 15:30 CET |
| <ul style="list-style-type: none"><li>• Presentation of initial Permaculture design projects proposed by participants</li><li>• Feedback, Q &amp; A session</li><li>• Final remarks and certification</li><li>• Workshop Evaluation by participants</li></ul>                                                                  |                            |
| Module 4                                                                                                                                                                                                                                                                                                                       | 03.12.   14:00 – 15:30 CET |
|                                                                                                                                                                                                                                                                                                                                |                            |
